

HAIMER Cool Flash

Оптимальная система охлаждения даже при космической скорости.

The advertisement features a central image of a HAIMER Cool Flash tooling technology. The tool is a white, cylindrical device with a black central shaft and a black handle. It is shown in a cross-section view, revealing internal components. The tool is positioned vertically, with its tip pointing upwards. The background is a dark blue space scene with a large, glowing orange planet (Mars) on the right and a bright blue arc of light (comet or meteor) on the left. In the foreground, there are several large, clear ice cubes. The HAIMER logo and 'COOL FLASH' text are visible on the tool's body. The overall composition suggests high-speed, precision manufacturing in a demanding environment.
